Silent as a snowflake and quick as a flash of lightning, Finola would snatch up a shoe, or a pair of shoes, pop them into her handbag and disappear into the shadows.

Finola Fox loves to collect shoes. She finds them in strange places all over the city – but the pair to one stunning feathered and bejewelled slipper continues to elude her. Then Finola meets handsome Frederic Fox, and they set off together on a hunt that uncovers a whole lot more than a missing shoe.
